the ground that the document was a confidential communication. It is said, however, by the prisoner's friends that the Secretary withholds the report because it was favorable to Mason and contrary to his own view of the case. Counsel will, it is reported, apply to the President for the full records.

The City Compress, Grain Elevator and Many Other Buildings at Dallas, Tex., Besides 4000

Bales of Cotton and 30,000 Rushels Wheat Totally Destroyed-Loss Over \$1,000,000.

Dallas, Tex., October 6.—Probably the largest and most destructive fire that ever occurred here is now (1 o'clock p.m.) raging. At 11 o'clock this morning a fire broke out in the engine-room of W. C.

and soon the cotton-yard of the City Compress, occupying a block of ground immediately adjoining the elevator, caught fire and was rapidly consumed by the devouring element. A strong breeze is blowing from the southeast, and the heat from the BURNING DISTRICT is frightful. At 12:30 o'clock the elevator fell with a crash. A brick building adjoining it, occupied by Sinker, Davis & Co., containing boilers and engines, is also a total loss, and burned both to the ground. The flames rapidly spread, and soon the cotton around the City Compress across from the elevator caught fire and is being rapidly burned. It is hoped that the compress will be saved with but little damage, as all efforts are now being used in that direction. At 12:45 o'clock p.m. the

PIRE 18 STILL RAGING, going in a northerly direction, and has

going in a northerly direction, and has just caught and wiped up the electric light works and a livery stable. That part of the town in which it is now spreading is composed of small frame structures, and there is no telling where it will stop. The elevator contained wheat and oats to the smount of 30,000 bushels, all of which was destroyed. There are also probably 4000 bales of cotton consumed. Thus far prominent insurance men estimate the loss at ONE MILLION DOLLARS,

that the time has come when this subject of goods, and that in the carpet-room

1. ACC CURTAINS, at \$200 and \$300 a pair, were displayed. Exhibiting such an enormous variety of goods, distributed and divided into more than forty different departments, it is difficult to select any special line where all two whole town is excited. The free department responded promptly, but it was nearly half an hour before they got regulation of the motic, and prides the first broke out there were some twenty forgive us should we ignore the herself on getting a becoming as well as a tasty head-dress. How it is possible to design 100 different styles, all of the mote, and on the track, and as the hose tried to cross the firemen were delayed until a elegant, rich and beautiful, yet no two resembling each other, is a puzzle to us, but we presume it is clear to the mind of Mme. See beauty, the designer and superintendent. For Worth has been telegraphed to raid, and the engine and department having committees consist chiefly in sowing broadcast the compress, and fully half that number has been consumed.

The first two first of the mote, and prides to the mote and the labor of these veisting committees consist chiefly in sowing broadcast the compress, and fully half that number has been consumed.

place, we know not where; that in some time, we know not when, the voice of the pany, an immense building occupying an entire square in the business part of the city. For fifteen minutes the flames burned fiercely in the boiler-room. When the iron roof fell in the fire rapidly spread to all parts of the building. In the por-Father of all may be heard again as in those primal days speaking the simple words, "Let there be light." To these de-partments of work our committees would thankfully receive any contributions of to all parts of the building. In the por-tion of the building used as a warehouse were stored 8000 bales of cotton, and in a very short time the whole thing was one mass of flames. The large compress op-posite the elevator was on fire at least fifty times, but was as often ex-tinguished. At I o'clock the flames leaped to contribute any of the named articles can send them to No. 30 Jefferson street, care of

the walls of the warehouse on the north side, crossed the avenue, burned an en-tire block, composed of the electric light manufactory, livery stable, wagon yard and grocery store. At Collins street it crossed Lamas, burned three residences and several small business houses. At 1 o'clock Mayor Cabell telegraphed to Fort Worth for help, and in a little over an hour they were here and at work. The fire was gotten under control about 5 o'clock at Collins street, having burned three and at Collins street, having burned three and a half blocks. The wholesale grocery house of Henry Loeb, which occupied one corner of the Elevator block, was, by he-roic efforts, saved. The loss is estimated waifs of our city and streets are gathered up, and who being sorely troubled to know what to do with them, bring their unman-

corner of the Elevator block, was, by he roic efforts, saved. The loss is estimated at from \$25,000 to \$40,000. It is impossible to give the insurance or the actual losses. The elevator was owned by a company of New Orleans men, with John T. Hardie as president, and leased to W. C. Howard & Co., of Dallas, The National Hotel opposite the elevator and across Pacific avenue caught fifty times, but being one of the finest blocks in the city, and having a favorable wind, was drenched by water and saved. The Texas and Pacific depot, by the hard work of their employers, was saved.

10 O'Clock P. M.—The cotton is still burning, with three engines playing on it. That in the warehouse will be acomplete loss. Some at the compress will be saved, is a total loss. The underwriters held a meeting this afternoon and adjourned till

is a total loss. The underwriters held a meeting this afternoon and adjourned till to-morrow. It is estimated the loss will not be less than \$1,000,000. Strange to say, there was no one hurt, although thousands of people thronged the streets for hours.

SPORTING NEWS.

At the new Memphis Jockey Club peol-room last night French mutuals paid \$6.30 for \$1. The combination board paid the extraordinary sum of \$71 70 for fifty cents. The races at Louisville Monday will

find them. Now my dear friends, while all is being done in the industrial department of our Mission Home—no hands that can ply the needle, or feet that First Race.—One and one-sixteenth miles; selling; welter weights; \$250 added; four starters.

Second Race.—Half-mile dash; for twonames that can ply the needle, or feet that can tread the sewing-machine, serve in the cook-room or laundry, are permitted to live the lives of idleness—yet the proceeds from this labor is not sufficient by one-third to meet the expenses of a family of which you will find two-thirds in helpless childhood. The annual memberships (which is \$2 per year) and the services of the servi year olds; Association purse, \$250; six starters.

Third Race.—Mile heats; Green Stakes

Fourth Race.—One mile and a quarter; handicap; \$300 added; six starters. The matching of horses in these races is remarkably even. Brighton Beach Races BRIGHTON BEACH, October 6,-Iros, Felicia, Topsy, Andrew Smith, Barney Aar and Puritan were the winners to-day.

Inssort flome, are not summent by \$150 to meet our expenses, which exceeded last month \$300. This amount includes the expenses of the association, namely, ward bills, etc. The funeral expenses must, of a consequence, occur sometimes. Through the liberality of the superintendent of Elmwood we are now in pressession of another letter when Jerome Park Races. JEROME PARK, October 6.—The winners to-day were Brad, Leo, Helen Wallace, Corsair, Colonel Sprague and Disturbance. now in possession of another lot, to whom we extend our sincere thanks. We have Louisville Races LOUISVILLE, October 6.-The runners in

to-day's races were Richard Loud, Olivette, Belle of the Highlands, Blazes and Manand firms, shall this recital of our work and our needs, and the necessity for you to sustain us in our work, shall this appeal fail to accomplish the much desired result? I hope not. How many will respond to it by becoming monthly contributors to the amount of \$1, more or less, also, members by the payment of \$2 per annum; and is there one or more liberal-hearted man who will respond in a large donation? We are in debt; and every honest man knows how unhappy he would feel were he in a similar situation. Now, cannot some kind friend influence others to unite with him and come forward with Trinket's Fast Mile ALBANY, October 6.-Last day Island Park trotting meeting. The only feature of interest was that Trinket, in

trotting to beat Jayeyesee's record of 2:17, made a mile beautifully without a skip in 2:16, making the quarter in 0:32\(\frac{3}{4}\), the half in 1:06\(\frac{3}{4}\), and the three-quarters in 1:41\(\frac{1}{2}\). Sr. Louis, October 6.-Chicagos, 4; St.

REAL ESTATE TRANSFERS.

stamps, colored blue, crimson and yellow, is valued at £40 the three stamps. It will interest many to learn that Baron Rothschild recently bought in Paris one choice and rare stamp, for which he paid £200. The late rumor that this celebrated postage stamp commisseur had sold his unique collection for £3000 is a mistake only in name; the collection really sold for this sum was that of Sir Daniel Cooper. Mr. Palmer has now one collection of above 7000 postage stamps, valued at over £500, which he is distributing among his abbums, and, from the extreme rarity of some of the specimens, he will be pleased to show this unique collection to any person interested in postage stamp collecting, a visit well worth any connoisecur's trouble."

Paris, October 6.—The Journal (official) publishes the following communication: "Several versions have appeared of the conversation held during the visit on Sunday last of President Grevy to King Alfonso, in order to assure his majesty of his sentiment and those of the country toward him. The only authentic account is that which was furnished the press by the Havas Agency, which must be regarded as official."

[Nors.—The account referred to above stated that Grevy tendered to the King, in the name of France, an apology for the behavior of the mob, and at the same time begged the King to give France fresh proof of his sympathy by attending a banquet at the Elysee Sunday evening, to meet the ministers, when the true sentiments of France toward Alfonso would be shown.

Gen. Thebaudin's Resignation.

Paris, October 6.—The resignation of Gen. Thebaudin as Minister of War is favorably received. The Anarchist and moderate Republican journals express satisfaction at the resignation of Gen. Thebaudin. They considered the relations of France with foreign countries imperiled while he remained Minister of War. Voltaire denies that the resignation of Thebaudin was the result of a demand by Spain. Radical journals violently attack the ministry and say they expect Thebaudin will soon return to the Cabinet. It is reported that Thebaudin will run for the Chamber of Deputies as a candidate of the Extreme Left. needs of our city are so limitless, and the resources of Him in whose name we are working are, so boundless. Are we not told that the cattle on a thousand hills, and the gold and silver in the very earth, are his? Then why should we faint or grow warry in his service. We wish to
